I understand that the act of unleashing my dog(s) and being physically present inside the pool area necessarily involves risk of injury to me, to other people, to my dog(s), and to other dogs. I understand these risks are entirely my responsibility. I expressly assume these risks. I am aware of the risks and hazards inherent upon entering the pool area and I choose to voluntarily enter the premises, knowing the conditions might become more hazardous and/or dangerous for me and/or dog(s). I understand that water may carry disease or waste from dogs entering the pool and should not be considered safe for humans to enter.
